

Protect yourself against fraud- Use this form

Calhoun County Prosecutor David Gilbert and Calhoun County Sheriff Matt Saxton encourage the use of this form.

Solicitors/contractors should be insured and maintain licensing with the State of Michigan.

Permits are also required for door-to-door peddlers or solicitors by local ordinances in most areas of Calhoun County.

This form is designed to give you a tangible tool to help against door-to-door home solicitors who are unethical. Not all solicitors are con artists, but this will help protect you against those that are.

Give this form to people who come to your door and want to provide a service or sell you a product.

Feel free to copy this form for future use.
